

Walk: The Levels with views of the Tor & optional pub stop

2.2 miles / flat / road and public footpath / great views of the Tor

At the end of the driveway turn right. Take your first left past the post box. Walk for approx $\frac{3}{4}$ mile until you get to a footpath on your left that goes through a leafy, tree covered hedge row.

At the end walk around the farm following public footpath signage. When you reach the road turn left. This will take you onto a bridle way. Follow this until it forks. Take the right fork. You'll then reach the main road. Turn right and Tall Trees will be on your left.

If you'd like to stop for a pint at the Grey Hound in Baltonsborough, take a right when you reach the road after the farm and keep walking straight into Baltonsborough and the Grey Hound is on your left. Cash only and no food served! To get back to Tall Trees, retrace your steps and carry on straight past the farm onto the bridleway.
